

# CELEBRATE

## the Power Behind Your Power.

Lineworker Appreciation Day | April 10, 2023

On April 10th, we're celebrating the amazing lineworkers who power our lives! CNMEC invites you to join us as we #ThankALineworker.

Our dedicated lineworkers are proud to represent CNMEC, and they deserve all the appreciation and accolades that come their way on Lineworker Appreciation Day. On April 10th, and any time you see a Lineworker, we hope you'll join us in thanking them for their exceptional service.

### Energy Efficiency Tip of the Month

Washing windows and screens is a great way to practice energy efficiency during spring cleaning. Clean windows and screens make your home brighter by allowing more sunlight in, reducing the need for lamps and fixtures.

Clean screens also allow more fresh air in the home when the windows are open to recycle indoor air. Natural light and clean air are energy savers, and they enhance overall health and productivity.
